

# How to Stream a Canadian Film on CanFilmDay

**NATIONAL  
CANADIAN  
FILM DAY**

## **A Note on Free Trials**

- Most free trials are only available to new users (ie. Unregistered e-mail addresses)
- If your email is already registered, attempting to sign up again for a free trial may cause your card to be billed for the regular monthly fee
- Most free trials merge without notice into paid monthly billing, so take note of the end date of the trial in order to unsubscribe, if desired
- You may find you enjoy what the streaming service has to offer – in which case, most are very affordable and may be cancelled any time
