

DIY POPCORN BOX

INSTRUCTIONS: For each box, you will need to print this page TWO times.

Step 1) Cut along solid lines. Score then fold along dotted lines.

Step 2) Adhere Part A on one sheet to Part B on the second sheet.

Step 3) Repeat, adhering Part A from your second sheet to Part B of your first sheet.

Step 4) Fold and glue bottom tabs under.

Enjoy! Don't forget to take a photo, tag **@CanFilmDay**, and share, share, share!
